**CONSIDERATION OF THE ISSUES DISCUSSED DURING THE OPEN HOUSE HELD ON 27<sup>TH</sup> MAY 2014 IN THE CIPMC AUDITORIUM, FARIDABAD.**

S.No.	Issues raised by the Associations	Decisions of the Open House	Comments of the Sectt. of CIB&RC	Decision of the RC
<b>I. CHEMICAL PESTICIDES</b>				
1.	<b>Laboratory approvals for conducting studies for Pesticide Registration</b>	It was informed the house that the process of their approval is in advance stage. In all probability, such facilities shall stand approved before holding of the next Open House.	Agreed, it should be completed in stipulated time.	Agreed
2.	<b>Implementation of the Kanungo Committee Report (KCR) on Harmonized Toxicological Protocols (except Operator Exposure Study (OpEx))</b>	The House was informed that these will be available within 3 months for implementation.	Agreed.	Agreed
3.	<b>Industry representation in the Subcommittee on Minor Change in formulation</b>	It was informed that RC has constituted an Expert Committee under the Chairmanship of Dr. (Ms.) Shalini Chawla, Professor, MAMC, New Delhi for suggesting the guidelines on the above matter. It was agreed to consider the request of adequate representation to the representative of the major Associations, viz. CropLife India (CLI), Crop Care Federation (CCFI) and Pesticide Manufacturers and Formulators Association of India in the process.	Agreed	Agreed

4.	<b>Twin packs guidelines</b>	It was decided that guidelines may be revisited for further refinement.	RC would like to constitute an Expert committee for this purpose.	A committee has been constituted.
5.	<b>Bulk packaging</b>	It was decided to review the guidelines, already framed by the RC in its 200 <sup>th</sup> meeting, before their implementation.	RC would like to constitute an Expert committee for this purpose.	A committee has been constituted.
6.	<b>Guidelines for registration of TI V/s TIM u/s 9(3)</b>	The Chairman, ASRB & RC informed that the Committee has already taken a considered view on the issue and accordingly guidelines have been reviewed and finalized by making an Expert Committee under the Chairmanship of PPA, which also consulted the associations of pesticide industry and accordingly a minor change was duly made so that the applications are not rejected at preliminary scrutiny stage. As such, the issue stands settled. However, the RC will take a view again while considering these minutes in its meeting in due course.	This issue has already been settled by the RC on the recommendation of EC under the chairmanship of PPA. However if RC feels this may again be reformed an EC for recommendation.	A committee has been constituted.
7.	<b>Guidelines for 9 (3) (New Source) V/s TI</b>	It was explained that a few guidelines were reviewed in the recent past and that this issue shall also be looked into while considering the minutes in the meeting of the RC.	RC would like to constitute an Expert committee for this purpose.	A committee has been constituted.
8.	<b>Bio pesticides laced with chemical pesticides</b>	Industry representative informed the market is flooded with bio-pesticides laced with chemical pesticides, thus, ruining and bringing bad name to the beautiful environment-friendly approach of plant protection, IPM. Some unscrupulous elements are engaged in manufacture of spurious bio-pesticides, which operate flight-by-night. They are reaping the benefit at the cost of crops of poor farmers. Secretary (CIB&RC) urged the industry of genuine bio-pesticides to come up with concrete information about such manufacturers or the places where	Letters may be issued to all the association and request them to come up with some vital and authentic information against unscrupulous and	Agreed with the view of Sectt. of CIB&RC.

		such activity is being carried out so that they can be brought to the book. Such information shall be kept confidential.	flight-by-night operators.	
9.	<b>Streptomycin Sulphate + Tetracycline Hydrochloride</b>	Secretary (CIB&RC) informed that this issue has already been discussed and decided in the 342 <sup>nd</sup> Meeting of RC held on 27 <sup>th</sup> September, 2013 and a public notice has been issued accordingly for compliance by all concerned. It was further decided that a letter may also be addressed by the Secretary (CIB&RC) to all the State Commissioners/Directors of Agriculture in this regard.	Agreed.	Agreed
10.	<b>Export of products enjoying regular registration</b>	Secretary (CIB&RC) informed that RC has already decided to grant subsequent registrations on regular basis once a product has been registered for export u/s 9(3).	Agreed	Agreed
11.	<b>Illegal import of Pesticides</b>  <b>(a) Illegal sale of imported pesticides in domestic market against import for export registration etc.</b>  <b>(b) Illegal import of pesticides from doubtful sources.</b>	The House was updated about regular updation of source of import Any change may be brought to notice of Sectt. It was also decided that a letter may be written to the Member (Customs), Central Board of Excise and Customs, Department of Revenue, Ministry of Finance, North Block, Central Sectt, New Delhi-110 001 to inform the Customs Officers posted at all international transit ports/points to be cautious about it and do not let illegally imported consignments pass through such ports/points. Quality violators may be brought to the book by way of administrative and legal actions. Source approved for import of pesticides (Technical and Formulation) may be got verified from the regulatory authority of the country.	A letter may be written to the Customs authority not to release in India any consignment imported from illegal source. Violators should be booked and stern action should be taken. Source verification also has to be done regularly.	Agreed with the view of Sectt. of CIB&RC.
12.	<b>Court case about import of formulations without registering the technical</b>	The House was informed that the matter is sub-Judice in the Hon'ble High Court of Gujarat and the final Order is yet to come. Therefore, decisive action could be taken only on receipt of the same.	This decision of the House may be adopted by the RC.	Agreed

13.	<b>Guidelines for grant of registration of insecticides for export only under section 9(3) of the Insecticides Act, 1968 (Ref. point no.3.1 of 347th RC Minutes)</b>	The revised guidelines for registration under export only categories have been approved by RC, which shall come into force w.e.f. July 01, 2014.	This decision of the House may be adopted by the RC.	Agreed
14.	<b>Verification of Testing Facilities for Generating and Accepting toxicity studies data for GLP certified/compliance laboratories for the purpose of Registration of Pesticides.</b>	RC categorically clarified that 26 GLP laboratories are existent in the country for such studies. More could be in the offing. This situation is going to arise at least once, as & when this requirement is imposed. Therefore, earlier, the better. There could be teething problems, which have to be borne with. The situation shall ease with the progress of time.	This decision of the House may be adopted by the RC.	Agreed
15.	<b>Documents to be filed along with the registered applications u/s 9(4).</b>	This issue has been discussed with the officials of NIC who expressed their inability to modify the existing software. The Secretary (CIB&RC) also clarified that the office bearers of a company, their status, address of manufacturing premises/corporate office, etc. keep changing from time to time. Therefore, submission of requisite documents for grant of registration under this category cannot be dispensed with.	This decision of the House may be adopted by the RC.	Agreed
16.	<b>Categorization of filing applications under section 9(4) by the existent and the new applicants</b>	Associations of pesticide industry suggested to divide the application u/s9(4) in to two categories as under: (a) Old/existing applicants; and (b) new applicants. They further suggested to enhance the application fee upto Rs.20, 000/- as 'Tatkal Charge' for obtaining quick registration. For this purpose.  The Secretary (CIB&RC) informed that the RC functions under statutory provisions of the Insecticides Act, 1968, which does not permit such categorization in dealing of	This decision of the House may be adopted by the RC.	Agreed

		applications for grant of registration. He lamented that as & when the RC tries to regulate and streamline the receipt of applications to facilitate quick registrations to meet genuine needs, one of the associations seeks legal recourse against it. <b>The RC has, therefore, decided to adopt ‘first come, first serve’ basis to deal with the applications. RC is open to considering innovative ideas, provided all the associations have consensus on the issue.</b>		
17.	<b>Visiting hours in the Secretariat of CIB&amp;RC on visitors day.</b>	The Secretary (CIB&RC) accepted the demand of the industry associations to extend the visiting hours from 14.30 – 16.30 hours to 14.30 -17.15 hours on every Tuesday and Thursday.	Agreed	Agreed
18.	<b>Validity of the Manufacturing License</b>	The house was informed that as per the Rule 11 of the Insecticides Rules 1971 the validity of the Manufacturing License of Pesticides is for a Period of 2 years. Secretary (CIB & RC) clarified that Government of India has increased the duration of retail sale license for household insecticides from 2 years to 10 years. However, there is no change in the duration of licenses with regard to any other license, including the manufacturing license.	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.
19.	<b>Technical should be sold to the MSME sector by large and Multinational companies</b>	The house was informed that the functions of the RC do not encompass commercial aspects, nor does the Insecticides Act, 1968 provides such powers to the RC which could bind a manufacturer to earmark selling of 50% quantity of technical grade insecticides to the small and medium entrepreneurs.	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.
20.	<b>Delay in issuance of Certificates Endorsement, FSC etc.</b>	Secretary (CIB&RC) clarified that Secretariat is trying their level best to complete the follow up action on the RC decision and as such there no general delay in issuance of Certificates after the decision of Registration Committee. However, if there is a specific case that may be brought to	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.

		the notice of Secretary (CIB&RC), instead of bringing such issues in Open House.		
<b>I. BIO-PESTICIDES</b>				
1.	<b>Request for fixation of date for organizing workshop on Bio-pesticides.</b>	Associations of bio-pesticide manufacturers informed that they are planning to hold a workshop on the bio-pesticides. Secretary (CIB&RC) welcomed it and assured if any kind of help is required in organizing the proposed workshop, Sectt of CIB&RC would be happy to extend a helping hand. He also desired that the proposed workshop be held at an early date.	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.
2.	<b>Request for acceptance of Toxicological Data generated by NABL accredited Laboratories along with the GLP accredited Laboratories</b>	It was clarified that all the parameters related to the toxicology studies are covered under GLP accreditation. As a decision in this regard has already been taken considering all the issues, it would be appropriate to maintain the same.	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.
3.	<b>Request for Harmonization of Existing Toxicological Testing Guidelines/protocols for Bio – pesticides</b>	It was decided to constitute an Expert Committee to look into the Toxicological Testing Guidelines & Protocols.	A committee may be constituted by the RC to look in to this issue.	Agreed with the view of Sectt. of CIB&RC.
4.	<b>Request for formation of Guidelines for Registration of Combination of two registered compatible bio-pesticides</b>	It was pointed out that bio-pesticides are quite effective individually, if used properly. What was the justification for combining two bio-pesticides? It was, however, decided to refer this issue also to the already existing Expert Group on Bio-pesticides.	This issue may be referred to the Expert Group constituted on the Bio-pesticides under the Chairmanship of Dr. A.N. Mukhopdhayay	Agreed with the view of Sectt. of CIB&RC.

			,Ex-VC, Assam Agriculture University.	
5.	<b>Request for formation of Guidelines for Registration of Combination of two registered compatible botanical pesticides</b>	It was decided to refer this issue to the existing Expert Group on Bio-pesticides.	This decision of the House may be adopted by the RC.	A committee has been constituted.
6.	<b>Exemption from submission of sample at the time of registration of bio-pesticide u/s 9(3).</b>	The Secretary (CIB&RC) informed the house that there are several reasons for it, viz. failing of a lot of samples in CIL at the time of registration u/s 9(3), applicants seeking higher shelf-life at the time of regular registration, etc. despite the fact that the sample of the same product had passed at the time of provisional registration u/s 9(3B). Therefore, there is no harm, if the RC wants to get satisfied with the quality of the product twice. Hence, dispensing with this requirement is not considered appropriate.	This decision of the House may be adopted by the RC.	Agreed with the view of Sectt. of CIB&RC.
