Public Notice

Subject- Protocol to evaluate impact of Neonicotinoids on pollinators- reg

The DAC constituted a committee on finalization of protocols for testing impact of Neonicotinoids on pollinators under the chairmanship of Dr. P.K. Chakrabarti, ADG(PP&B). The committee has finalized the protocols to study impact of Neonicotinoids on the Honey bees and other pollinators, which was submitted to DAC and discussed in the 352nd RC meeting, held on 11.12.2014. The protocols were deliberated and decided that the protocols may be uploaded on the website of CIB&RC for seeking comments from the stakeholders **within 15 days** from the date of uploading on the website.

All stakeholders are hereby requested to give their comments, if any, within the stipulated time.

(Dr. B.S, Phogat)
APPA & Secretary (CIB&RC)
