PUBLIC NOTICE

The issue of holding two Certificates of Registration for the same product by the same registrant has been discussed by the Registration Committee in its 338th, 339th and 340th meetings keeping in view the ramifications of such a situation. It has been decided that

- (i) The applicants, whose applications for registration are under consideration/scrutiny shall submit the affidavit on the prescribed proforma (**refer minutes of the above meetings on the website**) within a period of 30 days, on expiry of which the application shall be treated as closed and shall not be reopened;
- (ii) the applicants, applying for grant of registration under any category shall submit an affidavit prescribed proforma (**refer minutes of the above meetings on the website**) stating that the applicant neither holds a Certificate of Registration of the same product nor had not applied for grant of registration of the same product earlier;
- (iii) a Public Notice be issued on website of Secretariat of CIB&RC directing the registrants, who have more than one Certificate of registration for the same product, to retain one of them and return the other Certificates to the Secretary, Central Insecticides Board & Registration Committee within a period of 30 days of display of the notice on the website and that failing to do so shall entail action against the offenders as deems fit; and
- (iv) all the Directors of Agriculture of the State Governments/UTs be sent a communication for ensuring that no person obtains a license to manufacture an insecticide against more than one Certificate of registration and that license(s) be cancelled, if any person holds more than one licenses for the same product.
