F.No. **11-2/2013-CIR.I**  
Government of India  
Ministry of Agriculture  
Department of Agriculture & Cooperation  
Directorate of Plant Protection, Quarantine & Storage  
**Secretariat of Central Insecticides Board & Registration Committee**  
N.H.-IV, Faridabad-121 001.

Dated October 17, 2014

**PUBLIC NOTICE**

It is brought to the notice of all concerned that in the Certificates of Registration issued earlier under 'Export Only Category' under Section 9(3) of the Insecticides Act, 1968, the text in the opening paragraph mentions "indigenous manufacture/import", wherein one of the two is only applicable. However, incidents have come to notice, wherein in absence of deletion of the applicable one, some of the registrants have misinterpreted it and used the Certificate for import while it was applicable only for indigenous manufacture. In order to avoid such misinterpretation, it has been decided in 350<sup>th</sup> meeting of the Registration Committee, held on August 29, 2014 to clarify that in respect of the certificates of registration, issued earlier and mention "indigenous manufacture/import" in the text in the opening paragraph thereof, the interpretation shall be as under:-

- (i) In case the **source of import is mentioned in cl. 5** of the same certificate as well as on its label/leaflet, it is meant **for import for export only**. Such source of import shall be as per the list of approved sources as given on the website: [www.cibrc.nic.in](http://www.cibrc.nic.in); and
- (ii) in case the **source of import is not mentioned** in the said clause as well as label/leaflet, it is meant only **for indigenous manufacture for export only**.
